

Foundry Tech + Expo 2026

9 – 11 September 2026
Tokyo Big Sight, Japan

Newly launched !

Japan's only specialized
exhibition for foundry
machinery, products and
services.

www.foundrytechexpo.com

E-MONO

Concurrent
event

THERMOTEC[®] 2026

The 9th Quadrennial International exhibition on Industrial
Furnace, Thermal Technology, Equipment and Material

Foundry Tech + Expo 2026

Japan's only specialized exhibition for foundry machinery, products and services.

Foundry Tech + Expo is the only trade fair in Japan dedicated exclusively to the foundry and casting industry. Showcasing cutting-edge casting technologies, materials, equipment, components, and services. Held concurrently with Thermotec 2026 — the largest and specialized exhibition focused on industrial furnaces and thermal technologies — creates powerful synergy between the two exhibitions.

Fair outline

Foundry Tech + Expo 2026

Theme: More than just metal, Ecology, Economy, and Excellence

'E-MONO' - All Cast into one Casting!

Date: 9–11 September (Wed.-Fri.) 2026 10:00–17:00 (Last day until 16:30)

Venue: Tokyo Big Sight South Hall (Tokyo, Japan)

Organiser: Japan Foundry Society, Inc.

Co-organiser: Messe Frankfurt Japan Ltd.

Exhibits

Casting manufacturers (Iron, steel, copper, aluminum & investment castings) / Casting machine manufacturer / Industrial furnaces / Robot & Robotic automation systems / Raw materials, Auxiliary materials, Molding materials / Combustion equipment, heating element / Refractories, heat-resisting steel / Instrumentation, control, transfer mechanism / Surface treatment equipment applied technologies / Far-infrared-ray related equipment / Electric heating equipment, Power generation systems & supply systems / Heat transfer & Thermal flow analyzer / Energy supply (oil, gas, power) / Boilers, heating system / Refrigeration equipment & Cooling Technologies / Environmental protection & Carbon neutrality, Decarbonization technology / Waste treatment equipment / ICT & Advanced digital transformation (DX) technology / Research institutes and universities / Other related products and services

Targeted visitors

Casting manufacturers (Iron, steel, copper, aluminum & investment castings) / Heat treatment / Steel, Non-ferrous metal / Metal products / Materials / Chemicals / Forging / Ceramics, Glass / Robots & Robotic Automation Systems / Energy supply and utilization / Construction, Infrastructure and Plant engineering / Automotive, Aerospace, Rail, Shipbuilding & Transportation / Industrial Equipment / Precision instruments / Electric, electronics & home appliance / Environment, Waste treatment / Imports and Exports / Retail / ICT, Software, Telecommunications & Network systems / Organisations, Research institutes & Universities / Others

Schedule

Application deadline

27 February 2026

If your application is received after the hall is at maximum capacity, you will be added to the waiting list of potential exhibitors.

Booth allocation

From 1 May 2026

Booth allocation offer will be made only after confirming participation fee remittance by organiser.

Deliver Exhibitor manual and Promotion guide

From May 2026

Preparation for the exhibition.
Apply for various advertising opportunities.

Move-in / Stand construction

7–8 September 2026

Foundry Tech + Expo 2026

9–11 September 2026 Open hours 10:00–17:00 (Last day until 16:30)

Move-out

After 16:30 11 September 2026

Concurrent event

Thermotec 2026

Thermotec 2026

—The 9th International Exhibition on Industrial Furnace, Thermal Technology, Equipment and Material—

The Most Important Exhibition for Industrial Furnace, Thermal Technology, Equipment and Material in Asia
The last edition (2022) welcomed 175 exhibitors and about 10,000 visitors for 3 days.

Date: 9–11 September (Wed.-Fri.) 2026 10:00–17:00 (Last day until 16:30)

Organiser: Japan Industrial Furnace Manufacturers Association (JIFMA)

Venue: Tokyo Big Sight South Hall (Tokyo, Japan)

Co-organiser: Messe Frankfurt Japan Ltd.

Venue: Tokyo Big Sight
